About Flow Traders N.V.

Flow Traders is a leading, global, technology-enabled liquidity provider in financial products, specializing in exchange traded products (ETPs). Flow Traders provides continuous liquidity in global financial markets, while seeking to stay market neutral at all times and without having directional opinions.

Investors benefit from our activities due to increased liquidity, higher execution quality and lower overall trading costs. As such, we contribute to more efficient and transparent financial markets. Flow Traders is official liquidity provider in 6,000 financial products across the globe, tracking all underlying asset classes, including equities, fixed income, commodities and currencies with access to about 150 trading venues in over 40 countries. Flow Traders' headquarter is located in Amsterdam, The Netherlands, with trading offices in Hong Kong, Singapore and New York, covering all time zones. Flow Traders' shares are listed on Euronext Amsterdam. For more information, please visit: www.flowtraders.com .
